

**'To heal the world, we don't need to do great things only little things with great love'-
Mother Teresa**

Carambolim, June 14, 2017 : SNIP, Goa's premier salon & spa chain provided free haircuts and grooming sessions for the elderly residents of Mother Tereza's Home for the aged. The initiative came about when Mr. Raja Melvani, President, Rotary Club of Panaji Riviera casually spoke to SNIP CFO Sumeet Bhoje about their association with the home. SNIP undertakes a number of CSR activities despite being an SME with limited resources. Sumeet believes in Mother Teresa's words *'To heal the world, we don't need to do great things, only little things with great love'* To that end, a plan was quickly formulated and the elders of the home were treated to a much appreciated grooming session. SNIP Plans to make this a bi-annual activity and also work with orphanages providing similar services.
